

*Rules for road racing to
maximise safety for our
children.*

Please ensure that these rules are adhered to at ALL TIMES as safety is our main priority.

- Children, racing or not, will be restricted to the coned areas for safety reasons.
- Any junior bike rider seen crossing the road or out of the coned area without being accompanied by their parent, will be banned from racing that week.
- Parents will need to be good role models and stick to these rules too.
- Parents will need to bring the junior crate out to ensure that we abide by Cycling Australia Rules.
- Juniors wanting to warm up need to be accompanied by a senior rider and can only warm up on the adjacent to Yahl Road

These rules will begin as of 19th February 2012.
